

HOSPITALITY & RETAIL

OVERVIEW

Hospitality and retail companies have unique business needs that benefit from the coordination and depth of attorneys across our many practice areas. We have gained experience and knowledge working with many retail and hospitality clients in Kansas, Missouri and across the U.S., including real estate developers, retailers, hotel chains, restaurants and fast food chains, movie theatres, casinos, golf clubs, and resorts. Foulston Siefkin attorneys are able to help these companies grow and succeed by supporting their business needs across the diverse legal spectrum. We help clients acquire land or existing projects for development or redevelopment, entitle their development projects with appropriate annexations, master-planning, zoning and land plan approvals, obtain financial incentives from various federal, state, and city entities, negotiate and document leases and financing arrangements for their projects, including both bank and private party lenders and investors, and sell their projects. In addition, we protect our clients' developed brand equity from intellectual property infringement, defend against product defect claims, navigate the issues resulting from social media laws and regulations, and minimize risks associated with consumer privacy laws and data breaches. Our attorneys are also involved in creating a welcoming and rewarding environment for employees while complying with all federal and state laws; accelerating growth through financing and strategic partnerships, joint ventures, and mergers; dealing not only with real estate development and land use issues, but also assisting with operational vendor supplier contracts.

We are one of a select group of Midwest law firms recognized for a broad spectrum of legal experience. Our philosophy of top-notch client service and our recognized knowledge have earned our firm and our attorneys high marks for "outstanding" work from lawyer-ranking publications including *Best Lawyers in America*[®], *Missouri & Kansas Super Lawyers* lists, *Chambers USA*, and *Best Law Firms*[®]. Our attorneys include Fellows elected to the American College of Real Estate Lawyers, the American College of Environmental Lawyers, the American College of Tax Counsel, and the American College of Trial Lawyers.
