

FOULSTON

ATTORNEYS AT LAW

TECHNOLOGY

OVERVIEW

Wichita and Kansas City have become growing technology hubs, particularly in the aerospace, education, energy, health care, software, and information management technology sectors. Foulston Siefkin has assisted many of these technology companies from start-up to the eventual sale or transition of their business. Our legal areas of representation include intellectual property protection, manufacturing, distribution, and strategic sourcing agreements, licensing, financing, privacy, employment, as well as due diligence regarding mergers and acquisitions, public offerings and strategic alliances.

AREAS OF REPRESENTATION

- Obtaining or providing equity capital and debt financing
- Structuring and implementing the "Exit" strategy
- Negotiating governance provisions
- Selecting an entity and jurisdiction
- Performing due diligence
- Compensation arrangements
- Employee Benefits / ERISA
- Employment & Labor issues
- Tax planning
- Intellectual Property protection and commercialization
- General Business counseling
- Real Estate and Construction
