

BUSINESS & CORPORATE LAW

OVERVIEW

Business lawyers in each of Foulston Siefkin's offices employ their broad and diversified practices to add value to the businesses of our clients. Foulston Siefkin's business attorneys bring familiarity and experience to the diverse and complex legal areas of commercial and business transactions, including corporate governance, finance, securities matters, franchising, antitrust, creditors' rights and bankruptcy, real estate, intellectual property and e-business, licensing, general commercial matters, aircraft financing, oil and gas, mergers and acquisitions, securitization, entity formation, regulatory matters, and myriad other corporate transaction areas.

Foulston Siefkin is proud of its diverse range of business clients, which range from Fortune 500 companies to sole proprietors. In today's high-speed economy, our smaller and medium-sized, closely held business clients need experience and legal counseling to grow their organizations. Our experience in representing small to large clients in local, state, regional, national, and international transactions provides a wide-ranging perspective allowing us to arrive at creative and resourceful solutions.

Additionally, Foulston Siefkin's broad range of legal experience in other important areas of the law is brought to bear for our business clients. Notably, Foulston Siefkin's tax attorneys provide counseling in a variety of tax-related fields, including tax-benefited restructuring, asset valuation, tax value allocation, and sales and use tax matters. Foulston Siefkin's employment and labor law attorneys provide valuable expertise in managing human resources, key employees, and labor and union issues. Other areas of experience include health care law, construction law, employee benefits and executive compensation, commercial and business litigation, trust and estate planning and generational business transitions.
