

INSURANCE DEFENSE LITIGATION

OVERVIEW

Foulston Siefkin has represented insurance companies and their insureds for much of the last century. Today, our insurance defense attorneys have one of the most active trial practices in the region. It is no exaggeration that Foulston Siefkin trial lawyers have tried thousands of insurance defense matters over the years including all manner of vehicle accidents, premises liability and other casualty loss litigation. Our lawyers have the skills to accurately evaluate potential exposure and fully litigate the case, if necessary. The depth and scope of Foulston Siefkin's experience allow our lawyers to fashion effective, cost efficient defenses to the claims confronting insurance clients and their insureds.

Foulston Siefkin has a longstanding association with many of the leaders in the insurance industry. Foulston Siefkin lawyers are often called upon for coverage opinions for all types of policies and have litigated high stakes coverage disputes for numerous clients. This coverage expertise also allows us to provide insightful advice on policy effectiveness and revision.

From policy review, to the finest trial work in the nation to evaluation of the most complex coverage issues, Foulston Siefkin knows the insurance business.
