

ENERGY & NATURAL RESOURCES

OVERVIEW

OVERVIEW

Foulston Siefkin attorneys understand the complex legal issues involved with the energy industry, including traditional fossil fuels and renewable energy like wind, solar, and bioenergy. Our energy practice group's industry insight, coupled with our law firm's 100-year history of representing energy clients and other manufacturing clients, major employers, and entrepreneurs, uniquely situates Foulston to provide exceptional legal services and value. Our offices in Wichita, Topeka, and Kansas City are strategically located to serve our broad regional client base.

For more detailed information on our Oil, Gas & Minerals Practice, visit: [Oil, Gas & Minerals Practice page](#).

For more detailed information on our Renewable Energy, Electric Storage & Transmission, visit our [Renewable Energy, Electric Storage & Transmission page](#).
