WHO SHOULD ATTEND

For more than 30 years, the annual Employment Law Institute has brought together human resource professionals, business owners, executives, and managers in a wide range of industries across the region to learn about the latest legal developments, best practices, and strategies to make their organizations legally compliant and employers of choice. Enrollment is open for corporate and government counsel. Attorneys in private practice require prior approval.

CERTIFICATION

Each session in the 2026 Employment Law Institute webinar series will be submitted through the HR Certification Institute (HRCI) for review. Foulston Siefkin LLP is recognized by SHRM to offer SHRM-CP or SHRM-SCP? professional development credits (PDCs). The series sessions will also be submitted for preapproval of continuing legal education (CLE) credit for attorneys in Kansas and Missouri.

Please identify your continuing education (CE) preferences in your registration. We will distribute SHRM activity numbers, HRCI activity numbers, and certificates of completion via email after verifying poll or chat participation and attendance for the full hour(s) in the sessions. We will submit Kansas CLE credit for live webinar attendees who requested it after verifying poll or chat participation and attendance for the full hour(s) in the live webinar sessions. Missouri CLE is self-reporting.

Note: Attendees who wish to receive CE credit must (1) attend the webinar's live presentation and (2) attend individually on their own device using the link received in the registration confirmation. Registrants who (1) view the recorded version of the presentation or (2) join the live webinar with a group or other person on a shared device are not eligible for CE credit.
