MARTA FISHER LINENBERGER, 1951–2017

The Foulston Siefkin law firm is very saddened to announce the passing of Marta Fisher Linenberger, Special Counsel in our Topeka office, at the age of 65. Prior to joining the firm in 2007, Marta was a former General Counsel at the Kansas Health Policy Authority. “Marta was an extremely kind and caring individual,” said Foulston Siefkin Managing Partner, Kevin Arnel. “Her compassion and thoughtfulness touched everyone in the law firm as well as the community, and she will be dearly missed by all those who knew her.”
