PROFILE

Tony Rupp represents decision-makers.

His clients gather the key information, weigh the alternatives, determine the best course, and are not afraid to act. Tony is there for them when those decisions are challenged.

Tony is the former partner-in-charge of the Kansas City office and a member of Foulston's litigation & employment practice group. He represents large and small businesses, colleges, universities, and municipalities. Tony tries cases before juries, judges, and arbitrators. He argues appeals in state and federal courts. His docket includes high-profile matters from congressional redistricting to the constitutionality of state statutes to the defense of large class actions.

Tony is listed in *Chambers USA* as a leading general commercial litigation attorney in the United States, named by *Benchmark Litigation* as a Local Litigation Star, recognized by *Best Lawyers*® since 2007, and enjoys Martindale-Hubbell Law Directory's highest "AV" rating for lawyers. He was selected by his peers for inclusion in the *Missouri & Kansas Super Lawyers*® list.

Tony's advocacy for business extends beyond his clients. He served as the 2022 Chair of the Board Overland Park Chamber of Commerce and has served on the executive committee of the Overland Park Economic Development Council. He is a past chair of the Chamber's Public Policy and Advocacy Committee.

In 2008, the Johnson County Bar Association honored Tony as the third recipient of the Honorable Earl E. O'Connor Civility Award recognizing professionalism, honor, integrity, preparation, and advocacy.
