PROFILE

Jack Epps devotes his law practice to helping clients succeed in their real estate and business ventures in Kansas City and across the U.S. With over 25 years of experience in business and real estate transactions, Mr. Epps is known for bringing valuable and creative yet practical solutions to the table for his clients, and as a former college and professional athlete, he brings a relentless commitment to excellence and hard work – which typically translates into success for his clients. Mr. Epps leads the firm's Kansas City area Real Estate Investment, Development, and Transactions practice and provides ongoing counsel to businesses of all sizes.

Mr. Epps draws upon his extensive practical and legal business and real estate experience to represent (a) retailers, (b) hotels, (c) real estate developers and (d) various real estate investors across the U.S. by providing numerous real estate & business legal services, including: (1) assistance in identification of appropriate sites/locations, (2) acquisition of properties, (3) structure of joint ventures on behalf of developer/promoter and/or money investors, (4) obtaining funding via private equity and debt financing, (5) obtaining development entitlements, including zoning, plan approvals and incentives, (6) development and construction of projects, (7) leasing and sales, and (8) ongoing general counsel.

Mr. Epps provides business counsel in the areas of planning, structuring, negotiating, documenting and closing all types of business deals, relationships and arrangements. He serves as a trusted "outside business counsel" to a variety of businesses large and small. Mr. Epps is frequently called on to represent clients in mergers and acquisitions through the acquisition or sale of existing businesses and/or assets.

RELEVANT EXPERIENCE

Real Estate Investment, Development and Transactions

Mr. Epps represents developers and investors in every phase of their real estate investments and/or development projects, including:

- Identification, negotiation of contracts, and acquisition of properties or existing development projects;
- Structure and formation of appropriate Joint Ventures and entities for each real estate venture;
- Coordination of the development team of professionals, including, appraisers, surveyors, land planners, engineers, architects, appraisers, contractors, brokers, etc.;
- Identifying available project entitlements, including zoning and planning approvals as well as any available incentives (e.g., STAR Bonds, Tax Increment Financing, property tax abatement, sales tax capture/incentives, including Transportation Development Districts and Community Improvement Districts);
- Securing optimal development entitlements through:
 - discussions and negotiations with representatives of the various governmental entities, and
 - presentations to the various governing bodies, including City and County Planning Commissions, City Councils and County Boards of Commissioners, and Appeal Boards;
- Securing financing for the project through capital fundraising and debt financing;
- Horizontal and vertical development and construction; and
- Leasing and/or sale of the project or parts thereof.

Mr. Epps provides counsel in various types of real estate investments/projects, including: 1) developed and undeveloped properties; 2) retail shopping centers; 3) office buildings and complexes; 4) mixed-use developments; 5) hotels; 6) single-tenant buildings; 7) multi-family projects; 8) single-family residential subdivisions; and 9) senior/assisted living facilities.

Mr. Epps provides lead counsel to national developers and/or investors competing and/or investing in the single-tenant “build-to-suit” and “sale-leaseback” marketplace across the country representing clients in each step of the client's business plan, including: a) designing, structuring and forming the venture/entity; b) negotiating and documenting the build-to-suit (or sale-leaseback) lease with credit-worthy tenants; c) selecting and acquiring the optimal site; d) entitling the site through local governmental approvals, including zoning, planning and available incentives; e) negotiating and documenting the appropriate construction agreements; f) securing financing for the project through debt and equity funding; and g) negotiating, documenting and executing of the best exit strategy to maximize the client's return on their investment.

Successful ground-up “build-to-suit” projects – where Mr. Epps was the lead outside counsel – include the development and sale of numerous national single-tenant properties across the U.S., including Freddy's Frozen Custard & Steakburgers, WoodSpring Suites, Walgreens, CVS Health, McDonald's, Burger King, Hooters, Denny's, Whataburger, Damon's International Inc., The Goodyear Tire & Rubber Company,
